⚠ 2-factor authentication is required to secure your account.

Begin Setup

GatesHudson

🔓 OneLogin Protect

① Download and install OneLogin Protect on your device

⭐ 🍎 Download on the App Store   ▶ GET IT ON Google Play

② When the app is installed, come back to this screen and click **Activate**

Activate

GatesHudson

🔓 OneLogin Protect

iPhone & Android ▼

① Open OneLogin Protect

② Scan below QR Code

[QR Code]

🔔 The system will send a notification to your device in the OneLogin Protect app to approve the login. **Click the green box to accept.**

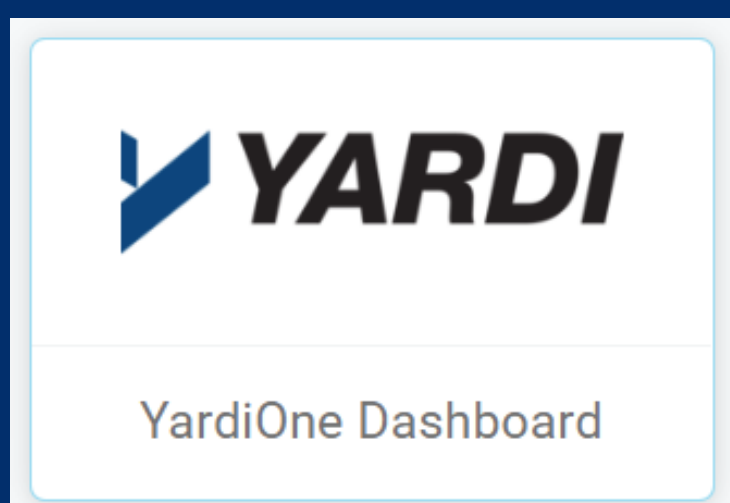

The browser will prompt you to **download the OneLogin browser Add-In** – please do. Once the add-in is installed you will see it on the top right corner of your browser.

OneLogin Navigation

1. **Frequents Tab** | The software/applications you use the most
2. **Personal Tab** | Other software/websites you personally load
3. **Company** | All other software configured by Gates Hudson for your security group

YardiOne Dashboard

Yardi is the management software used for your property.

UKG

UKG is where you will submit your timesheet and access all company information.

CORE - E2L

CORE is where you will find your training resources.

For assistance with software, submit a ticket to the IT Helpdesk.
For assistance with UKG or CORE access, submit a ticket to the HR Helpdesk
